Snoozapalooza

SANGER, Calif., September 29, 2020 — Winter is the perfect time to cozy up with a reading buddy and open up the cuddle-filled pages of Colorado Book Award-winning Kimberlee Gard's new picture book *Snoozapalooza*, illustrated by Vivian Mineker of top Familius title *The Road Not Taken*.

When a sleepy mouse finds a prime napping location, other animals join in, one by one up, counting up and rhyming until their heap has reached TEN friends, including:

- a mouse
- a snail
- a mole
- a chipmunk
- and more!

This is an adorably illustrated and memorable forest slumber party tale!

**“They doze and they dream, tucked out of sight,
A snoozapalooza all day and all night.”**

About the Author: Kimberlee Gard spent most of her childhood running from books instead of reading them, as a learning disorder held her back until she was taught the tools to overcome her dyslexia. This sparked Kimberlee's aspiration to write books for children that would bring about the same love of reading she eventually found and encourage even the most reluctant and struggling reader.

About the Illustrator: Vivian Mineker is a Taiwanese American illustrator from Taipei and Portland, OR, currently living in Slovenia. Her process usually starts with watercolor and colored pencils and finishes on the computer for fine details and adjustments.
