Let's Talk Family.

The Mighty Silent e

SANGER, Calif., August 18, 2020 – The charming new addition to the Learning is Fun! Series by Kimberlee Gard and illustrated by Sandie Sonke, *The Mighty Silent e* will win hearts while teaching spelling and word sounds.

Readers will fall in love with Little e, a quiet and caped superhero who knows his potential but is often overlooked- until one day, he doesn't show up for class!

The other letters don't even notice he's gone at first, but when c, a, and k try to form a word for dessert, they realize that no matter what they do, they can't make it work without their silent friend.

The Mighty Silent e is sure to engage even the most resistant of readers, while making this story and the purpose of the silent e unforgettable.

About the Author: Kimberlee Gard spent most of her childhood running from books instead of reading them. A learning disorder held her back until she was taught the tools to overcome her dyslexia. This sparked Kimberlee's aspiration to write books for children that would bring about the same love of reading she eventually found and encourage even the most reluctant and struggling reader. Kimberlee lives on a small farm in Colorado with her husband, sons, and a gagging group of barnyard friends.

About the Illustrator: Sandie is an illustrator living in Rancho Cucamonga, California. She graduated with a BA in Studio Art from Cal State University–Fullerton in 2010. Wearer of many hats, Sandie is a freelance illustrator, wife, and mom to two inspirational souls. When she is not drawing, you can find her playing Legos with her kids or sipping coffee with her husband.
